About D4D

Distance For Difference (D4D) is a registered non-profit organisation. We help to mobilise runners, cyclists, walkers and swimmers to get sponsorships for every kilometer they complete during the year. With the money we collect, we help to make the lives of specifically children a little bit easier and make their future look a bit more promising. **"Children in need is our passion in deed"**

How will it work?

D4D wants to make a real visual impact at the 2011 Argus Cycle Tour and also raise funds for children in need. We have obtained a CHARITY BOND. D4D will secure and pay for your entry (R500). You will get a special goody bag and a guaranteed start of no later than 08h45. The only requirements will be to:

- register as an athlete on the D4D website
- ride in D4D clothing (which you can purchase at a 50% discount).
- get sponsorships to the value of at least, but hopefully a lot more than your entry and your clothing discount (R650 if you only take a shirt and R750 if you take a shirt and shorts)
