Dear Stéphan Pieterse

RE: DONATION FOR ANNUAL LIFE SKILLS CAMP

We, the Kuils River Support Group, a voluntary community-based organisation that provides a supportive service to victims of abuse, are planning our 11th Annual Life Skills Camp from **20 – 22 August 2010 at the Noordhoek Country Centre in Noordhoek.**

The camp will be for forty grade 6 pupils from primary schools in the Kuils River area. The topics are diverse and will include Abuse, Etiquette, Values & Relationships, Sexuality, HIV/AIDS, Goal Settings, Crime Prevention & Drug Abuse, etc.

The weekend will not only be an opportunity for the learners to empower themselves with life skills, but also for learners from various areas in our community to get to know each other. We have decided that this camp will be free of charge to the learners and we are now depending on the community, other organisations and companies to help us with the essentials needed to make this camp a success.

Please find attached our budget for your perusal.
